

# JUSTYNA OBASI

---

Driven by the urge to understand the world and its protagonists, Justyna takes one look closer at everything.

A visual artist by training, Justyna employs colors, textures and format to service a narrative purpose. Growing up with Polish and Nigerian parents in multiple countries and environments contributed to her gift for salvaging moments of genuine beauty wherever they may appear.

Justyna was trained to direct actors at the National Film and Television School (NFTS) in Beaconsfield and yet she enjoys putting real people in front of a camera to feed on authentic and unfiltered emotion.

With her intuitive and fearless approach to film making, Justyna has created intimate, youth-centered campaigns for Ahoj Brause, Adidas and Zalando, and TikTok.

Justyna's film „Jugendelixier“ for Ahoj Brause landed her bronze in direction at ADC.

Her film “Skate Nation Ghana“ for Facebook is an energetic look into the birth of Ghana's skating scene.

Justyna lives in Berlin.
